

Sorry the library is closed

To protect staff and customers during the Coronavirus outbreak libraries are now closed until further notice.

We have temporarily removed all overdue fines so please do not worry about returning items that you have borrowed.

Our online services are all available as normal so you can access a wide range of e-books, e-audiobooks, e-magazines and e-newspapers by visiting the Shropshire Libraries website at www.shropshire.gov.uk/libraries then clicking on 'e-library'. You will need your library card number and PIN to access these. If you don't know your PIN please call Library Support on 01743 255023 (Monday to Friday during office hours).

The Library Service will be offering other support to our customers and communities during this difficult time, and details of this will be publicised in due course.
