Broseley Working Together

As more and more people in our community are following the Government's advice and self isolating to protect themselves and others, we want you to know, you are not on your own! The people of Broseley and the surrounding area, as you would expect, are rallying together. Hundreds of residents have volunteered help and support for you. Organisations and local traders are coordinating themselves to get us all through this challenging period of anxiety, uncertainty and potential loneliness.

Virus Information

Please only use the 111 service if you cannot cope with your symptoms at home, your condition deteriorates or don't improve after 7 days. Please do not go to the GP Surgery, Pharmacy or hospital if you have symptoms of the virus. The surgeries will update their web sites, social media pages and answer machines to reflect any changes in the situation. You do not need to contact 111 to inform them you are self isolating. You can get further Government advice at <https://www.gov.uk/government/publication/covid-19-stay-at-home-guidance>.

Above all please don't think you have to struggle alone, just call 0333 301 0319
